Abstract Submission

Abstract submission deadline (Invited Talks, Contributed Talks, and Posters):
15 Feb 2026.

If you have submitted an abstract and are unsure about its status (accepted / pending / needs revision),
please contact the **Program Committee** at
devon.lin@queensu.ca.

When submitting your abstract, please choose the appropriate session type:

- **POSTER SESSION** – if your abstract is for a poster presentation (or you have been approved to present a poster).
- **CONTRIBUTED SESSION** – if your abstract is for a contributed oral presentation (or you have been approved to give a contributed talk).

For any questions regarding abstract preparation or submission, please email
devon.lin@queensu.ca.

Student Travel Scholarships

SPONSORS

- McGill University School of Population and Global Health
- McGill University Department of Epidemiology, Biostatistics and Occupational Health
- CRM-Statistics Laboratory

We are able to offer a limited number of travel scholarships to **students** and **postdoctoral research fellows** who will present at the ICSA–Canada Chapter Symposium 2026.
If you wish to be considered, please email the materials below to **joanh@stat.sfu.ca** with the subject line:
"Application for ICSA-CC Travel Scholarship".

Application window: 15 Feb – 31 Mar 2026

Please include:

1. A short statement of interest in the meeting (e.g., how would it benefit your study?).
2. A CV/resume.
3. A note from your advisor (on letterhead) confirming your student/postdoc status and explaining the nature of your role in the research you are proposing to present at the meeting.
